BERTA SOY YO

Four weeks straight on the Big Screen in Honduras

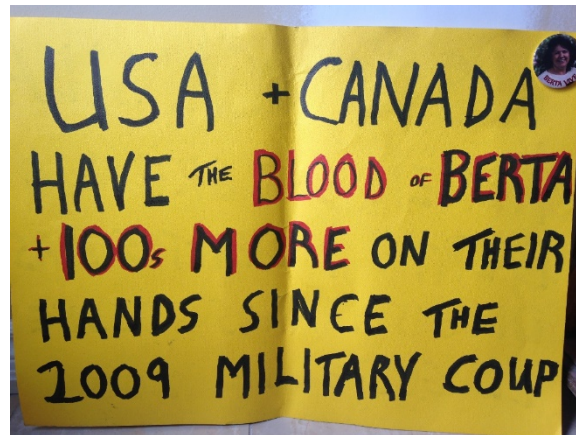

Rights Action again shares information about Berta Soy Yo, directed over 9 years by Katia Lara and her team.

- **TRAILER:** <https://www.bertasoyyo.film/>

We promote this film, to learn more about the life and vision of Berta Caceres, assassinated on March 2, 2016, by Honduran elites linked to the U.S. and Canadian-backed 'drug-trafficking' military regime, in power from June 28, 2009 until January 27, 2022.

We promote Berta Soy Yo, to further expose the nature of the Honduran political, military and economic elites, put in power and maintained in power for 13 years by full political, economic and military relations with U.S., Canada and so-called "international community".

Spread the work

Rights Action encourages folks to follow Berta Soy Yo's social media feeds, and share their information. Rights Action encourages folks to promote the screening of the film in your communities and theaters.
